CLERK-ALBUQUERQUE

ORDER UNSEALING APPLICATION, AFFIDAVIT, SEARCH WARRANT AND RETURN

THIS MATTER having come before the Court upon the written motion of the United States, and the Court having reviewed said motion and being otherwise fully advised, the Court finds:

1. On or about May 29, 2014, this Court ordered the application, affidavit, search warrant and return in this matter sealed because the matter related to an ongoing investigation of a sort which made sealing proper.

2. The investigation has now been completed, however, due to the sensitive nature of the information seized when the warrant was executed, the warrant has remained sealed until the investigation was completed. The investigation has now concluded and a grand jury has returned an indictment.

3. That the continued sealing of the above-mentioned matters is no longer necessary.

IT IS HEREBY ORDERED, that the clerk of the court unseal the application, affidavit, search warrant and return in this matter.
